Archives of Orthopaedic and Traumatic Surgery

Founded in 1903 by J. Riedinger et al. as Archiv für Orthopädie, Mechanothérapie und Unfallchirurgie.

From Volume 16 "Archiv für orthopädische und Unfall-Chirurgie" edited by M. Borchardt, K. Kramer, W. Exner, H. Gocht, M. Kirschner, F. König et al.

From Volume 91 (1978) "Archives of Orthopaedic and Traumatic Surgery, Archiv für orthopädische und Unfall-Chirurgie" edited by M. A. R. Freeman, G. Hierholzer, F. Linder, P. Maquet, M. E. Müller, H. Rettig, J. Schatzker, H.-G. Willert and A. N. Witt.

Volume 1–15 Wiesbaden, J. F. Bergmann, Volume 16–26 (1928) Berlin, Springer, and Wiesbaden and (from 1920) München, J. F. Bergmann, Volume 27 (1929) to 43 (1944) Berlin, Springer, from Volume 44 (1949) München, J. F. Bergmann.

Copyright

Submission of a manuscript implies that the work described has not been published before (except in the form of an abstract or as part of a published lecture, review or thesis), that it is not under consideration for publication elsewhere, that its publication has been approved by all the authors and by the responsible authorities—tacitly or explicitly—in the laboratories where the work was carried out and that, if accepted, it will not be published elsewhere in the same form, in either the same or another language, without the consent of the copyright holders. By submitting a manuscript, the authors agree that the copyright for their article is transferred to the publisher if and when the article is accepted for publication. The copyright covers the exclusive rights to reproduce and distribute the article, including reprints, photographic reproductions, microform, electronic data-base, video-disks, or any other reproductions of similar nature, and translations.

Photographic reproduction, microform, electronic data-base, video-disks, or any other reproduction of text, figures, or tables from this journal is prohibited without permission obtained from the publisher.

The use of general descriptive names, trade names, trade marks, etc., in this publication, even if the former are not specifically identified, is not to be interpreted as a sign that such names are exempt from the relevant protective laws and regulations.

While the advice and information in this journal is believed to be true and accurate at the date of going to press, neither the authors nor the editors nor the publisher can accept legal responsibility for any errors or omissions that may be made. The publisher makes no warranty, express or implied, with respect to the material contained herein.

Special Regulations for the USA

Photocopies may be made for personal or internal use beyond that permitted by Section 107 or 108 of the U.S. Copyright Law, provided a fee is paid. This fee is \$ 0.20 per page or a minimum of \$ 1.00 if an article consists of less than five pages. Please pay this fee to the Copyright Clearance Center, Inc., 21 Congress Street, Salem, MA 01970, USA, stating the ISSN 0344-8444, volume, and first and last page numbers of each article copied.

The copyright owner's consent does not extend to copying for general distribution, for promotion, for creating new works, or for resale. Specific written permission must be obtained from the publisher for such copying.

Other Regulations

Authors of this journal can benefit from library and photocopy fees collected by VG WORT if certain conditions are met. If an author lives in the Federal Republic of Germany or in West Berlin it is recommended that he contact Verwertungsgesellschaft WORT, Abteilung Wissenschaft, Goethestraße 49, D-8000 München 2, for detailed information.
